

# ANNUAL REPORT

January 2023 – December 2023

CHANGE A  
CHILD'S STORY.™

# A WORD FROM OUR PROGRAM DIRECTOR

It is hard to believe that it has been over a year since I began my position as the Program Director. This year has been filled with ups, downs, challenges, rewards, and so much more. However, I would not be able to succeed on my own without the support from the staff, volunteers, and our CASA Champions.

Over the last year, Sarpy County CASA has made substantial growth in our efforts to rebrand and move ourselves forward in a positive direction. We are extremely thankful for the support we have received. The collaboration and relationships we have built amongst our volunteers, various partnering agencies, community sponsors, and businesses has been uplifting.

Our first annual CASA's Kicks for Kids was very successful. We were able to help 81 children put their best foot forward with new socks and shoes for the beginning school year. A special thank you to our event sponsors and Famous Footwear in Shadow Lake for making this day possible.

As of December 2023, Sarpy County CASA has served 178 children with 85 volunteers. The dedication and unwavering amount of support allows our volunteers to provide advocacy, a voice, and so much more for a child. Our volunteers continue to make an impact in the lives of the children we serve and are an integral part of changing a child's story.

As 2023 ends, we want to send our gratitude to all of you for your support of our program. We are working hard to improve the lives of children who have experienced the trials and tribulations due to abuse and/or neglect.

Thank you for being a CASA Champion!
